## ■ Major & Career Goals

I am majoring in Business Marketing and plan to pursue a career in digital and social media marketing. My goal is to help brands grow their online presence and connect with audiences through creative digital strategies.

## ■ Technical Background

I consider myself an intermediate-level computer user. I regularly use Microsoft Excel, Word, and PowerPoint for school assignments and personal projects. These tools help me stay organized and create professional work.

Key Skills	Details
Computer Level	Intermediate
Software	Excel, Word, PowerPoint
Usage	School & Personal Projects
Focus Area	Digital & Social Media Marketing

## ■ About Me

I am from Nevada City, California. I chose the University of Nevada, Reno because it is close to home, I love the outdoors, and my brother attended school here. In my free time, I enjoy golfing, snowboarding, hiking, watching sports, and spending time with friends and family.

I enjoy older music from artists such as Fleetwood Mac, Billy Joel, and the Red Hot Chili Peppers. My favorite TV shows include Ozark, Outer Banks, and Bones because of their realistic storylines and strong characters.

## ■ My Values & Personality

<b>Faith &amp; Family</b>	<b>My religion and family are central parts of my life.</b>
Work Ethic	I am hardworking and go above and beyond.
Personality	Shy at first, outgoing once comfortable.
Relationships	I value time with friends and loved ones.
Motivation	Driven to succeed and improve every day.

## ■ Dreams & Future Plans

My biggest dream is to work with my family's marketing business and eventually take over and expand it. I want to grow the company, strengthen its impact, and build a lasting legacy while continuing to develop as a marketing professional.
